WATCHBAND & TIMEPIECE COLLECTIONS

Speidel®

www.speidel.com

For over 100 years, Speidel has been the cornerstone of watchband innovation. Speidel's commitment to quality, service and style has established us as the premier leader in the watchband industry.

Our "Twist-O-Flex" construction revolutionized metal watchband design and continues to flourish through the direction of our product development team. As a major original equipment manufacturer, Speidel provides metal, leather and synthetic watchbands to numerous timepiece companies around the world.

Speidel is proud to introduce a distinctive collection of new items including revolutionary leather and metal watchbands, a timepiece collection and gift items.

Speidel's sales team is also the exclusive distributor of Di-Modell watchbands in North America.

The Double-Stitched Leather category provides a colorful, fashion-forward watchband alternative to many watch types.

Its cut-edge construction and embossed leather upper material are complemented with a double row of chalk white stitching and a silver buckle; making it a great casual option for the everyday watch.
